

SISKIYOU COUNTY CATTLEWOMEN

Message From Your President

2018 SCCW Board of Directors: (L-R) Sharon Erickson, Rita March, Michele Murphy, Heidi Carver, Carolyn Houghton, Cheryl Foster, Stacey Jackson, Lori March, Lynda Beverlin, and Tara Porterfeld. Not pictured: Elaine Kuck. THANK YOU LADIES FOR ALL YOUR WORK!

Dear Siskiyou CattleWomen,

Fall is certainly in the air, and a welcome relief from the long heat spell this summer. Hopefully the fires will be all under control soon and the smoke gone too! Your CattleWomen unit has been busy with various events since our May meeting, the biggest being the Siskiyou Fair Sandwich Booth and Feature Booth display! A sincere thank you to all the members and friends that helped staff the Sandwich booth for five days, and a huge THANKS to booth chair Lori March for handling all of the extra shift chair positions! The Feature Booth looked wonderful and special thanks there to Heidi Martin for hand painting the beautiful Mt Shasta scene in the background. We are very lucky to have so many ladies with a variety of wonderful talents in our organization!!

Our Fall Membership meeting is just around the corner and we sure hope that many of you can join us at the awesome community center in Dorris, CA on Oct 6th. It will be a short business meeting, delicious catered lunch and a special time to honor the 2018 SCCW Top Hand and Pioneer Beef Woman. Elections for officers and the board will also be held for the 2019-20 term, and we are hosting a new fun event called "Painting with Friends" following the meeting. Please see page 2 for more details and you do not need painting experience to enjoy this activity, but it does require an RSVP!

We are also initiating a new communication system for active SCCW committee reports in an effort to streamline the business portion of the day. The reports will be compiled before the meeting and emailed out to the membership for review, along with the minutes of the previous general meeting. Printed copies will be available at the meeting for anyone that did not receive them by email, and an opportunity to address any questions or information updates. One discussion item that will be included in this meeting's agenda is the Board's recommendation to change the beef promotion event at the fair by possibly doing an Ag Booth in the Ag Exhibit with scheduled cooking demonstrations and other specific beef promotion information, and looking at new and different opportunities for primary fundraising event(s). In doing this we would be replacing the sandwich booth event.

Message From Your President - continued

We are forming a committee to look into several of the new ideas suggested, for both beef promotion and fundraising, and if any of you as members would like to be involved in this committee please let me know. One other item your Board will be presenting at this Oct meeting is a draft Policies & Procedures document that follows the format of the state CattleWomen, but is specific to our organization. The purpose is to provide a reference guide of supplemental information to the SCCW By-Laws of how our unit normally operates. It will be a living document that can be updated, and will cover more specific criteria, committee descriptions and procedures than are not specified in the By-Laws, thus serving to help maintain consistency in our unit's operations in future years. The draft document will be available for review and comments welcomed from the membership before the final version is submitted for voting approval at the Winter general meeting. I look forward to seeing many of you at our Oct general meeting and the annual SCCA/SCCW Fall Dinner & Silent Auction event!

Sincerely,
