ANCW Summer Meeting Report

The ANCW held their Summer Meeting in Reno on July 24 and 25th. Attending from Siskiyou County were Melanie and Lamar Nelson, Cheryl Foster and Leanne Brown. The current ANCW President Reba Mazak from Florida kept the meeting entertaining and moving right along. Many business reports were provided, and several educational sessions were provided for our learning pleasure. ANCW is celebrating their 70th year and had a Platinum Jubilee Celebration Reception, where attendees had an opportunity to meet and visit with old friends. The second day of the meeting held the Board of Directors led by Kady Porterfield, initially from Butte Valley and now residing in Washington State and serves as their State President. We heard a presentation from California's Markie Hageman,

Region 6 Ladies having a great time!

Girls Eat Beef Too and a beef promotion session with Cheyenne Sparks, Public Relations Chairman from Oklahoma. We did get some legislative updates from Tanner Beymer, Senior Director of Government Affairs NCBA, which was very interesting and entertaining. Meeting ladies from all over the nation is a wonderful experience and they really are a nice bunch of women all working to promote and provide education about beef. Submitted by 2nd Vice President Leanne Brown.

Jackie & Leanne sign them up.

The Beef Skill-a-Thon at the Tulelake Butte Valley Fair was a hit!

Winners Hailey and Madison are pictured below.

SCCW's Tulelake-Butte Valley Fair feature booth, keeping with the fair theme "American Grown Traditions". One of the features was the Create a Cow from Little Shasta School where the students did an amazing job! The booth featured cattle breeds and some great recipes.

Thanks to Caroline Santos-Luis and Nicole Stevens for creating a fun and eye-catching booth.

SCCW By-Laws and Policy & Procedures - October 2022

Summary of Recommended Revisions

(Full Version attached)

By-Laws Document

SCCW is an affiliate organization of California CattleWomen, Inc. (CCW). CCW is legally required to have a copy of the By-Laws on file for all their affiliate CattleWomen units, and the affiliate unit By-Laws must have the correct verbiage to correctly identify each unit as an affiliate of California CattleWomen, Inc. through the entirety of the unit By-Laws document. In addition, CCW is requiring that all units have an article within their by-laws that specifies the requirements if any unit is disbanded or dissolved.

Therefore, the SCCW board of directors is recommending approval of our organization's By-Laws with the following changes made: (other than a few minor wording clarifications, corrected typos & punctuation)

Beginning in Article I and throughout the entire document:

-the word 'association' was replaced with the word 'organization' as we are an affiliate organization, not an association.

Article I

-changed to read "(SCCW), an affiliate of California CattleWomen, Inc."

Article IV

-revised the wording of "The annual dues shall be set by the members at the regular May meeting of the membership" to read "*The annual SCCW dues shall be set by the Board of Directors and voted on by the members at the appropriate general membership meeting.*"

Article VI, Section C

-added the word "membership" in front of the word "meeting"

Article X, Section 1

-revised the wording from "New by-laws may be adopted by vote of the majority of the members voting at the annual meeting or at a special meeting of the members called for that purpose" to read "*New by-laws may be adopted by vote of the majority of the members voting at a general membership meeting*"

Article XI, Organization Disbandment

(NEW Article added to document to comply with CCW required protocol for such action)

Section 1

Should there ever be a decision on the part of the membership to disband or dissolve the Siskiyou County CattleWomen, as an affiliated unit of California CattleWomen, Inc., any assets, inventory, and remaining funds will be sent to the California CattleWomen, Inc. Treasurer within 60 days of the notice of the unit affiliation being revoked.

Policies & Procedures Document

This document is a set of operational guidelines followed by Siskiyou County CattleWomen (SCCW) to help ensure continuity in our organization's functions and processes now and in the future. It is structured in line with the California CattleWomen, Inc's (CCW) Policies & Procedures as SCCW is an affiliate unit, but this document also includes details specific to SCCW operations. It is designed to be reviewed every few years and updated as necessary to reflect current operations of both CCW and SCCW.

This document has not been revised since it was first approved by the SCCW membership in 2018. Therefore, the SCCW board of directors has reviewed and made a number of recommended revisions throughout the document to be consistent with current CCW Policies & Procedures; clarify some items with more detail; and update other items to accurately reflect current SCCW processes.

Please review these entire documents in consideration for approval at the October 1, 2022 Siskiyou County CattleWomen General Membership Meeting.

PRESIDENT'S MESSAGE

Hello ladies,

I hope you've had a great summer and your families are well and blessed. I know how hard you've been working. I've seen the blood, sweat and tears. I know cattle ranching is a full-time, overtime, time and a half, no extra pay on holidays, sometimes the graveyard shift job.

I love how you keep family traditions alive and that you follow the call to this lifestyle. I look up to you. I learn from you. I am grateful for the gardeners who bring farm to table vegetables and fruits that sit so lovely next to beef. You make our tables so beautiful. I'm getting hungry. I think of Bob and Rita March who give so much to family and neighbors. Rita's awesome canning room and how she loads me up when I go to the ranch. I am blessed! She is one generous lady and still working hard to feed her family. Each and every one of you put amazing effort into supporting your families and communities. YOU are the superheroes and we would not be here without you. It is important you get some "you time" (that's when you take care of you, relax a minute, breathe in/out, enjoy a movie, facial, massage, tailgate picnics, sit under a tree and just enjoy seeing what you've done.) You deserve it whatever it may look like.

I hope to see you soon. And....you are cordially invited to our Fall Meeting in Dorris, October 1st. It's always fun. A big thank you to our outstanding hard-working board. I pray you stay happy and healthy. Until then... Here's to what is important, Faith, Family, Friends and fun! Thank you.
