### **SCCW Spring and Summer Activities**

It has been a busy spring and summer for our local Cattlewomen. Thank you to all of those who participated in these events.

**Mother's Day Market** - May 13th, We provided Korean shredded beef on a mini taco for a sampler. We also had literature and lots of good conversation. The weather was wonderful and the whole event was very nice.

**Ag Awareness Day** - May 17th, We had over 300 4th grade students from many schools participate. They visited different educational stations and talked with presenters to learn new things about agriculture. The weather was wonderful and everyone had a great time.

**Gold Rush Days** - June 10th and 11th, We provided bbq beef meatballs on a toothpick for a sampler. We had literature and lots of good conversation. We had our first experience with serving beer and encouraging people to have protein with their carbohydrates. It went well. We also started promoting our Beef 'N Brew event and sold our first tickets.

**Siskiyou Golden Fair** - August 9th - 13th, We had a feature booth displaying the mammalian composting research done by the Cooperative Ag Extension Office and we had a commercial booth. The commercial booth displayed all of the past and present Cattlemen and Cattlewomen. This was of great interest to fairgoers. We also had a display and information on preserving beef via drying, canning and freeze drying. We also offered bbq beef meatballs on a toothpick. We promoted the Beef 'N Brew and had tickets available. Also during the fair, we hosted a Beef Skillathon for the youth in the show arena. It was well attended and the kids did well.

**Jefferson State Stampede** - August 26th, We worked with the Siskiyou Cattlemen to prepare and sell steak sandwiches with either bbq sauce or grilled onions and peppers. Approximately 200 sandwiches were sold. We promoted the Beef 'N Brew and had tickets available.

**Siskiyou Cattlemen's Tour** - September 23, The Annual Cattlemen's Tour started in Tennant and viewed the TC Ranch grazing allotment where the Antelope Fire destroyed much timber, vegetation, and water resources. The tour was followed by a luncheon at the Dorris Lions Community Center. A steak lunch cooked by the SCCA was served with salads and desserts provided by the SCCW. The Cattleman of the Year was announced, with Russell McKay receiving the honors. Jim Shanks was the Ranch Hand of the Year, and the Lily Foundation was the Ally of the Industry.

Siskiyou County CattleWomen are hosting a new event for Siskiyou County, Beef N Brew, September 30<sup>th</sup> from 5:00 pm till 10:00 pm This event is designed to showcase Beef but is also intended to promote all of Agriculture. Agriculture is the primary economic force in Siskiyou County.

This event will be lots of fun. Ticket holders will get to stroll Miner Street sampling up to ten beef appetizers. The appetizers are being prepared by local restaurants vying for bragging rights to the People's Choice Award. These restaurants include Zephyr Books and Coffee, Bella Art Works, Strings, Denny Bar, Yreka Elks Lodge, Miner St Meat Market, Wine Bar and Mings. Ticket holders will receive a mini beer mug and get to sample up to twenty Local Craft Beers. We need helpers for the day of the event. Beginning at 3:30 we will be setting up. Things to do will include: delivering ice and beer to the beer sample pourers, direct the Farm to Table vendors on where they can set up, set up tables and chairs for dinner, set up for bbq dinner, set up the beer wagon station, set up the check in registration tables and set up for the stage and award table. At 5:00 we will be staffing the registration table, checking on beer pourers and beef appetizers, preparing for bbq dinner and staffing the beer wagon. Between 7:00 and 7:30, we will be assisting the beer and appetizer people and the vendor booths to close their stations. We will also take down the registration tables. 7:00 the BBQ dinner will start to be served. Between 7:30 and 10:00 we will be determining and announcing the winners of the People's Choice award and Judge's Choice. We will monitor tables for cleaning up during and after dinner, ensure the garbage cans are available and empty the full ones. At 9:30 we will be picking up and cleaning the tables, removing the perimeter signage, ensuring trash is picked up and moving garbage containers to one location, picking up the bbq tables and equipment, preparing the beer wagon for pick up and returning Miner Street to pre-event condition. **If you would like to help with any or many of the above tasks, please call Leanne Brown 530-598-4444.**
